

## **CLA Library Technicians Interest Group**

### **Award of Merit**

The CLA Library Technicians Interest Group Award, generously sponsored by [Libramation](#), acknowledges a library technician who demonstrates outstanding professional achievement and leadership in the library and information community at a regional, provincial or national level.

Selection will be based upon the significant achievements of the nominees in regards to their service to the profession through participation in library technician organizations or library technician interest groups, as well as their proven leadership abilities in actively promoting library technicians regionally, provincially or nationally. The nominee must be a student or graduate of a recognized Library Technician program.

The recipient will be chosen by the CLA Library Technicians Interest Group Award of Merit Committee. The committee is chaired by the CLA Library Technicians Interest Group Convenor and is composed of interested library technicians from across Canada. The Committee will review the activities which illustrate the outstanding leadership and contributions of the nominee; a brief biography/resume of nominee outlining their achievements and library technician background; and at least two letters endorsing the nominee.

Each nomination must be sponsored by at least two members of a provincial or national library technician association. Nominations must be submitted on an official nomination form and must be accompanied the required documentation.

### **The Canadian Library Association's (CLA) Library Technician Interest Group Award of Merit Winners:**

2011 Karen Hildebrandt  
2010 Karen Darby  
2008 Carmelita Cousins
