

## CTCL Innovation Achievement Award

The Canadian Technical and College Libraries (CTCL) is a section of the Canadian Association of College and University Libraries (CACUL), a division of the CLA.

The CTCL Innovation Achievement Award was established to recognize libraries which, through innovation in ongoing programs/services or in a special event/project have contributed to college librarianship and library development.

The Canadian Library Association / Association canadienne des bibliothèques is Canada's largest national and broad-based library association, representing the interests of public, academic, school and special libraries, professional librarians and library workers, and all those concerned about enhancing the quality of life of Canadians through information and literacy.
