

Evidence-Based Library and Information Practice Network (EBLIPN)

Terms of Reference:

1. To represent the interests of librarians involved in evidence-based librarianship and library related research.
2. To organize continuing education opportunities for librarians in this area.
3. To provide a means of communication between librarians involved in evidence-based librarianship.
4. To assist librarians with the dissemination of library research utilizing an evidence-based model.

Plan of activities:

- EBLIPN Research Award
- Listserv to provide a means of communication between members of the Network and to increase awareness surrounding opportunities in EBLIP related activities
- Maintenance of EBLIP wiki to facilitate network collaboration, sharing, and information access, as well as a means of communication
- EBLIP session on CLA programme
