

Library and Literacy Services for Indigenous peoples of Canada Network

Terms of Reference

- To determine the library and information needs of Canada's native peoples.
- To make recommendations concerning the recruitment and training of native personnel to serve the library and information needs of native peoples.
- To make recommendations on personnel and resources needed to provide library and information services to native peoples.

Plan of activities

- Conference Session at CLA Annual Conference in May 2013 which will include a roundtable discussion on next steps.
- A list serve for Aboriginal Interest Group has already been established but needs to be re-invigorated with new members and activity. The convenor will contact the listserve owner and discuss this.
- Develop a virtual library with free texts, govt. reports, stats, journals, etc. using Libguides or might be a good fit for a project like this. Establish a guide for particular subjects, jurisdictions, scholarships, internships and so on
- A resume service or "chat with a librarian about a career in libraries" will be discussed at the conference session in May 2013.
