

## Southern Alberta Information Network

### Terms of Reference

#### Purpose:

- To encourage the exchange of ideas among library and information professionals from the variety of different library and information sectors in the Southern Alberta region
- To help connect members and non-members to CLA;
- To develop workshops on programs of interest to the group and that further the role of CLA in the region;
- To serve as a communication channel for input into national issues.

#### Meetings:

- Twice a year meetings (in person and via videoconferencing) and a once a year continuing education workshop, funded by the institutions and not the Canadian Library Association (CLA);
- Meeting at the CLA conference;
- Investigating other initiatives such as hosting a mini-conference and piloting new programs;
- Producing and maintaining a directory of libraries and information agencies in Southern Alberta.
