Hi Valoree, No, there is no financial commitment on the part of CLA. LAC funds the person's travel to the in-person meetings of CCC. LAC only funds the travel expenses of the two CLA representatives and two ASTED representatives.

The person participates on the committee on a volunteer basis.

Hope this information helps.

William

William

Is there a financial commitment to CLA for this? I don't seem to be aware of one nor have I seen any invoices or claims come through however I have been asked to verify this before we determine how to proceed with the request.

Dear Valoree, Please find attached a letter from the chair of the Canadian Committee on Cataloguing (CCC) requesting the appointment of a CLA representative to CCC. Also attached is a 1997 letter outlining CLA's procedures for nominating its experts to the CCC.

Thank you for your consideration.
